

SPEEDIONE™

FLEXIBLE ONE-PIECE WATER SUPPLY LINES

INTEGRATED WATER STOP & CONNECTOR

BrassCraft®

YOUR INSTALL.

BrassCraft® SpeediOne one-piece water supply lines make installations faster and easier with a water stop pre-installed to the supply line. Available in multi-turn and quarter-turn water stop options for toilet and faucet installations. **Pros who know choose BrassCraft.**

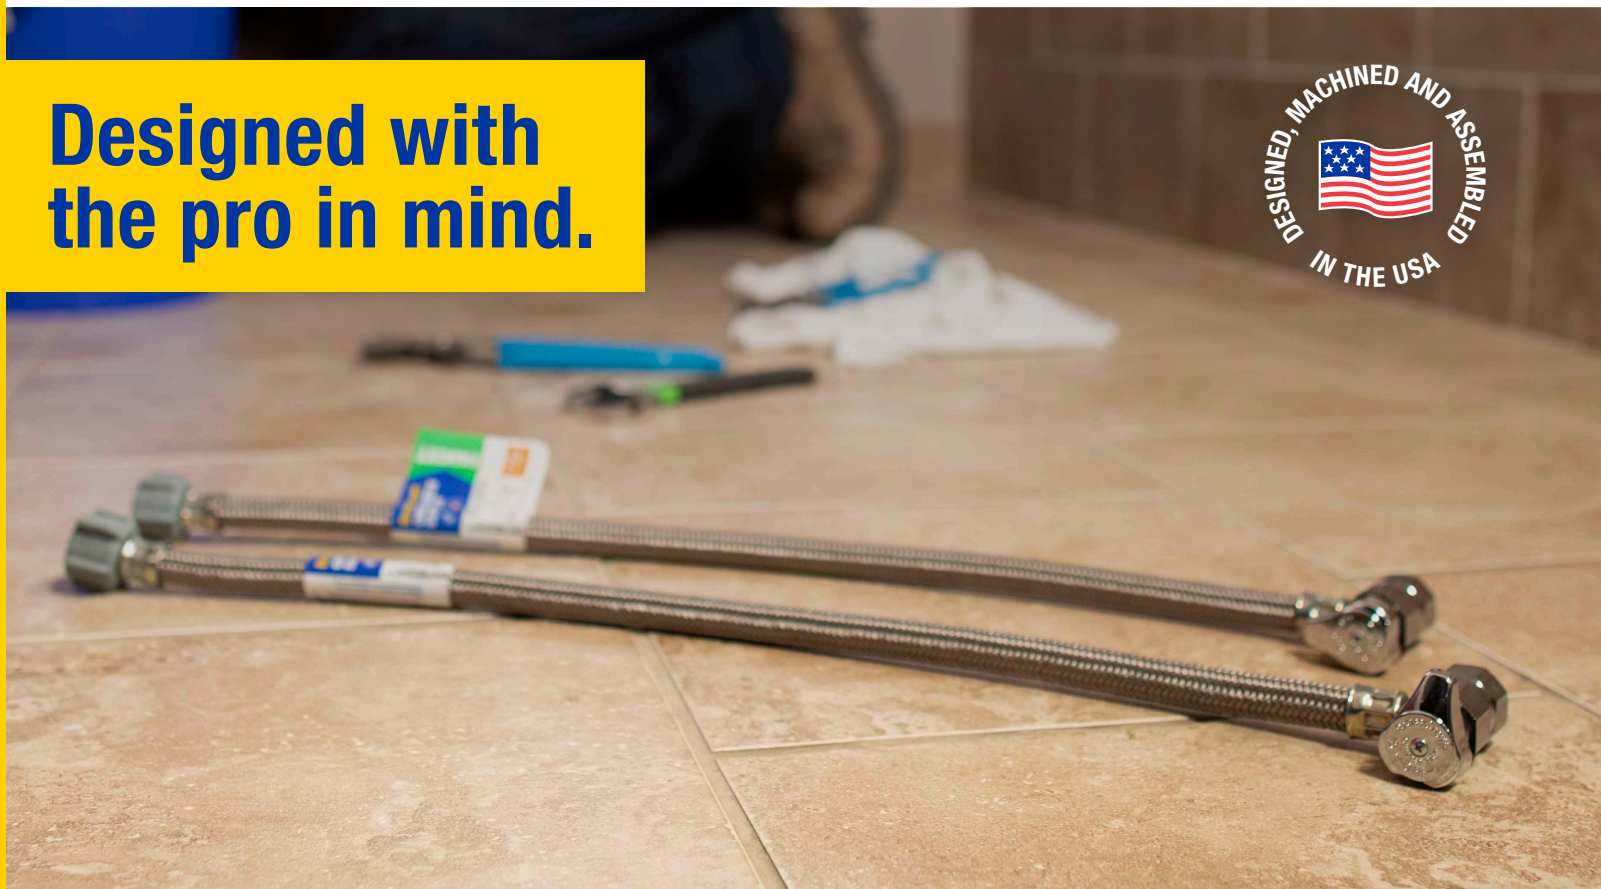
Multiple Connections: Available in Compression, CPVC, Crimp PEX Barb, Cold Expansion PEX Barb and Push Connect.

Save Time and Money: One less connection to make and one less product to purchase.

Effortless Installation: Toilet connectors include long wing nuts for a fast, secure connection.

For Tight Spaces: Connectors bend freely without kinking or crimping.

Designed with the pro in mind.



YOUR CHOICE.
